MSE Purchase Preference	Yes

1. Item Category

Sl.	Item Description	Quantity	Unit	Delivery Days
1	Deepwell hand pump for village drinking water supply, lever action type, complete with pump head assembly, handle, water tank and spout, cylinder, connecting rods, riser pipes and all fixing accessories	86	Sets	90
2	Comprehensive operation and maintenance of the installed hand pumps for 36 months from the date of commissioning, inclusive of all consumables and wearing parts	86	Sets	-

2. Applicable Standards

The hand pumps, their components and the special tools supplied under this contract shall conform in all respects to the relevant Indian Standard applicable to deepwell hand pumps. The bidder shall state in the technical bid the exact standard, the part thereof and the year of the edition against which conformity is claimed, and shall upload documentary evidence of conformity. All ferrous components exposed to water or weather shall be hot dip galvanized. Materials in contact with drinking water shall not impart any taste, odour or colour to the water drawn.

3. Technical Specifications

Sl.	Specification Parameter	Required Value
1	Type of pump	Deepwell hand pump, lever action, above ground discharge
2	Installation depth	Suitable for a static water level up to 45 m below ground level
3	Cylinder	Brass lined, nominal bore 63.5 mm, with gunmetal check valve and plunger
4	Connecting rods	Galvanized mild steel, 12 mm diameter, in lengths of 3 m with hexagonal couplers
5	Riser pipes	Galvanized mild steel, 32 mm nominal bore, medium grade, in lengths of 3 m
6	Pump head and stand	Fabricated mild steel, hot dip galvanized, with sealed ball bearings in the handle axle
7	Handle	Mild steel, hot dip galvanized, with an effective leverage suitable for operation by one person
8	Water tank and spout	Mild steel, hot dip galvanized, spout positioned to permit filling of a standard vessel
9	Discharge	Not less than 12 litres per minute at 40 strokes per minute at a head of 25 m
10	Special tools	One set of spanners and fishing tools per twenty pumps supplied, as required for installation and maintenance
11	Marking	Manufacturer's name or trade mark, model, month and year of manufacture, serial number

4. Consignee and Installation

Sl.	Consignee / Reporting Officer	Address	Quantity	Delivery Days
1	Block Development Officer	Panchayat Samiti, Nanded (Rural), Dist. Nanded, Maharashtra 431601	34	90
2	Block Development Officer	Panchayat Samiti, Mudkhed, Dist. Nanded, Maharashtra 431806	28	90
3	Block Development Officer	Panchayat Samiti, Ardhapur, Dist. Nanded, Maharashtra 431704	24	90

5. Buyer Added Bid Specific Additional Terms and Conditions

- Scope of work: Supply, installation, testing and commissioning of the hand pumps at the village locations listed in Annexure-II, together with comprehensive operation and maintenance for thirty six months from the date of commissioning.
- Testing and acceptance: Prior to acceptance of each installation the contractor shall demonstrate the discharge at the specified stroke rate in the presence of the Engineer-in-Charge, and shall furnish a test report from a recognised laboratory covering the cylinder assembly, the connecting rods and the galvanizing thickness. No installation shall be taken over until satisfactory results have been furnished.
- Water quality: The contractor shall arrange analysis of the water drawn from each installation from a laboratory accredited for the purpose and shall submit the results to the Engineer-in-Charge before hand over.
- Maintenance obligations: The contractor shall depute trained personnel to each installation once every quarter during the maintenance period and shall maintain a service register at each location. Breakdown complaints shall be attended within forty eight hours of intimation. Wearing parts shall be replaced at the intervals recommended by the manufacturer and the replacement recorded in the service register.

5. Payment terms: Seventy per cent of the supply value shall be released on delivery and acceptance at site. Twenty per cent shall be released on successful commissioning and submission of satisfactory test reports. The balance ten per cent shall be released against the ePBG on completion of the first year of maintenance. The maintenance charges shall be paid in equal quarterly instalments in arrears, against certification by the Engineer-in-Charge.
6. Price basis: Rates quoted shall be inclusive of all taxes, duties, freight, insurance, installation and commissioning charges, and shall remain firm for the entire contract period. No price escalation shall be admissible on any ground.
7. Liquidated damages: In the event of delay in commissioning beyond the stipulated period, liquidated damages shall be levied at the rate of 0.5 per cent of the value of the delayed installations per week, subject to a maximum of 10 per cent of the contract value.
8. Penalty for maintenance default: Failure to attend a breakdown complaint within the stipulated period shall attract a penalty of Rs. 500 per pump per day of delay, recoverable from the quarterly maintenance payment.
9. Bidder financial standing: The bidder shall not be under liquidation, court receivership or any similar proceeding, and shall not have been debarred or blacklisted by any Central or State Government department or Public Sector Undertaking as on the date of bid submission. A self declaration to this effect shall be uploaded with the bid.
10. Purchase preference to Micro and Small Enterprises (MSEs) shall be given as defined in the Public Procurement Policy for Micro and Small Enterprises (MSEs) Order, 2012 and subsequent orders issued by the Ministry of Micro, Small and Medium Enterprises. The bidder must be the manufacturer or OEM of the offered product; resellers offering products manufactured by another OEM are not eligible for purchase preference. Relevant documentary evidence shall be uploaded along with the bid.
11. Purchase preference under the Public Procurement (Preference to Make in India) Order, 2017 shall apply. The bidder shall furnish a certificate of local content indicating the percentage of local content and the location at which the local value addition is made.
12. The Estimated Bid Value indicated above is declared solely for guidance on the EMD amount and for determining eligibility criteria relating to turnover and past experience. It has no bearing on the price to be quoted by bidders.
